If you would like a friend or a member of your family added to the list we need to make sure that they have consented to their name being on that list. This is because the list can be seen by a lot of people, as it is put up on the notice board at the back of church; it is available for anyone to pick up in church and is also published on the internet through the parish website. This is necessary to make sure the church takes proper care of your information and complies with current data protection law.

Safeguarding in the Archdiocese of Birmingham The Archdiocese hearing in the Independent Inquiry into Child Sexual Abuse (IICSA) begins in London on Monday 12 November, and runs until Friday 16 November. The Archdiocese believes that the work being done by IICSA is of great significance and supports the aim of strengthening and improving safeguarding practices and cultures within the Church. The welfare of children, young people and vulnerable adults is a fundamental priority for the Archdiocese. Fostering a culture which has safeguarding at its very heart remains a key part of our work. If you would like to speak to someone about safeguarding and the Church's work, please call **0121 230 6240**. If you would like to speak to someone independent of the Church you can contact the NSPCC on **0808 800 5000**. Please pray with us for all victims of abuse, and for all those involved in the work of this important Inquiry. Last weekend's Pastoral Letter on this matter can be found on the Archdiocese website <https://www.birminghamdiocese.org.uk/>
