If you would like a friend or a member of your family added to the list we need to make sure that they have consented to their name being on that list. This is because the list can be seen by a lot of people, as it is put up on the notice board at the back of church; it is available for anyone to pick up in church and is also published on the internet through the parish website. This is necessary to make sure the church takes proper care of your information and complies with current data protection law.

**Wolverhampton Food Bank** Our donations for this charity have all but dried up!! You don't have to donate much; just a couple of tins or a packet food dried food will make all the difference to people who are struggling to make ends meet.
