If you would like a friend or a member of your family added to the list we need to make sure that they have consented to their name being on that list. This is because the list can be seen by a lot of people, as it is put up on the notice board at the back of church; it is available for anyone to pick up in church and is also published on the internet through the parish website. This is necessary to make sure the church takes proper care of your information and complies with current data protection law.

Our Collection for last weekend was **£315.13**; made up of **£129** envelopes and **£186.13** loose.
