**How can we better understand marriage as a vocation?**

4. *“Today, there are those who say that marriage is out of fashion...They say that it is not worth making a life-long commitment, making a definitive decision, ‘forever’, because we do not know what tomorrow will bring.”*

**How does your marriage enrich you?**

5. *“The family is important, and it is necessary for the survival of humanity. Without the family, the cultural survival of the human race would be at risk.”*
